Operating Result

The consolidated net profit/(loss) of the Company (portion of the parent company) for the year 2020 and 2019 were Baht 40.78 million and Baht 69.03 million, respectively. The profit decreased from the previous year. Due to the government project business. There was a loss from which it used to have a large profit in the previous year. This was due to the delay in the delivery of the 1st phase and the increase in construction costs from the previous year forecast. Although the silkscreen and label printing business showed better performance from the increased sales. Thus causing the overall picture of the operating result to decrease. With details as follows.

- Broadband business had net loss from operation for the year 2020 and 2019 for Baht 9.99 million and Baht 7.04 million, respectively. Which had an increased loss from the previous year Because the income decreased by 40% from the number of customers decreasing in the past 1-2 years. The company has transferred employees to the government project business. And focus on allocating resources to complete the delivery of the said project. After the installation work in Phase 1 of the government project has been completed. From the second quarter of 2021 onwards, the company will start sales and marketing in the same network areas in 3 provinces, namely Chiang Mai, Nakhon Ratchasima and Khon Kaen, and the company will start providing internet services to people in 7 areas. Provinces by the project as well. In the future the Company will have internet service area from 3 provinces to 10 provinces which will help increase revenue and profit in this business.
- IT business had loss from operation for the year 2020 and 2019 for Baht 4.21 million and Baht 18.01 million, respectively. The loss improved from prior year. The management has restructured this business by set up the new subsidiary company and the Company has transferred the IT business to this subsidiary and the Company invested about 49%. The business partner who will joint-invest in this

subsidiary is an expert in IT business. The IT business after restructuring will improve their operating performance within the next year.

- Label business had profit from operation for the year 2020 and 2019 for Baht 20.41 million and Baht 30.78 million, respectively. Operating results declined. Due to being affected by the COVID-19 situation. The sales decreased 9% and the profit decreased 34%. The percentage of sales of products among the high- margin and tax- exempt smartphone customers from the BOI decreased significantly. As smartphone manufacturers turn to buying cheaper manufacturers in China. However, the business has been adjusted by acquiring new customers and having internal management to reduce the company's cost to generate profit growth in the following year.
- Silkscreen Printing business had profit from operation for the year 2020 and 2019 for Baht 63.59 million and Baht 54.25, respectively. The company has improved operating results despite being impacted by the COVID situation, but still maintain the growth rate. The sales from electrical appliance manufacturers increased by 7.5 percent due to the cheaper cost and quality better than competitors from China and Japan. The gross profit margin has improved. The company also has sales from new products with high gross margin.
- Government Project had profit (loss) from operation for the year 2020 and 2019 for Baht (3.65) million and Baht 91.47, respectively. Government projects showed a significant decline in performance, due to the delay in the delivery and acceptance of work for the 1st, 2nd and 3rd installments due to force majeure caused by Tropical Storm Podul and Kajiki. This caused severe storms and flooding in the Northeast, affecting the 1st phase of work from late August until the end of 2020. Including the impact of measures to prevent the spread of the COVID-19 virus from declaring a state of emergency in early 2020. The Company previously reported the impact to the SET on May 15, 2020. In addition, it caused the Company to recognize revenue for services in the said work delayed. While there are still some fixed costs that must be had. To support the service and construction and installation expenses for the said period, which increased from the original estimate of 29 million baht or an increase of 5% from the original cost estimate. In addition, the allocated interest on services increased from the delay in receiving payments for the 1st phase of the 2nd installment that had been delivered and received. However, this effect is only temporary as the Company has completed all work for Phase 1 and the Company is able to open most of the services. For the 2nd phase work from December 1, 2020 onwards.

When there was no any Shareholders required to further question, the Chairman declared the Meeting that this Agenda was for acknowledgement. So, there was no any casting the votes and deemed the Meeting acknowledge operating performance of the Company for the Year 2020 already.

In this regard, the Board of Directors, therefore, propose the 2021 Annual General Meeting of Shareholders to authorize the Board of Directors and/or the Executive Committee and/or the Chief Executive Officer and/or the person authorized by the Board of Directors and/or the Executive Committee and/or the Chief Executive Officer, to have the power to amend the Memorandum of Association at the DBD-MOC and has the power to take all necessary actions in accordance with the registrar's order to complete the registration process.

The Chairman asked the shareholder for those who want to vote for "Disagree" or "Abstain" to raise their hands then the officer collected their voting card to count their votes and deduct from the total votes of the total shareholders.

The voting result for this agenda is as below:

Approved	262,850,241	Votes, Calculated to Be 100
Disapproved	0	Votes, Calculated to Be 0
Abstained	0	Votes, Calculated to Be 0

Resolution The meeting unanimously resolved to approve the decrease of the Company's registered capital of Baht 186,602,023 from the original registered capital of Baht 816,618,970 to the registered capital of Baht 630,016,947 as well as to approve the amendment to the Company's

Memorandum of Association No. 4 to be consistent with the Company's decrease of registered capital.

Agenda 11 To consider and approve the increase of the Company's registered capital of Baht 241,432,688 from the original registered capital of Baht 630,016,947 to the registered capital of Baht 871,449,635 as well as to approve the amendment of Memorandum of Association of the Company No. 4 to be consistent with the Company's increase of registered capital.

The Chairman assigned Mr. Thammanoon Korkiatwanich, Company secretary, to propose the 2021 Annual General Meeting of Shareholders to consider approving the increase of registered capital by not exceeding THB 241,432,688 from the existing registered capital of THB 630,016,947 to THB 871,449,635 by issuing of not exceeding 241,432,688 newly-issued ordinary shares, at the par value of THB 1.00 per share and approve the amendment to Clause 4. of the Memorandum of Association to be in line with the increase of registered capital to accommodate the following propose:

- (1) The allocation of newly issued ordinary shares the existing shareholders proportionate to their respective shareholding (Rights Offering) at the ratio of 7 existing shares per 1 new share in the amount of 75,373,827 shares;
